Experience

Student Worker

September 2025 – Present

School Of Leadership & Human Resource Development (LSU), Baton Rouge, LA

- Assisted faculty, staff, and students with administrative support related to undergraduate and graduate programs, student resources, communications, and school activities.
- Supported ongoing research projects by regularly compiling, organizing, and distributing scholarly articles and source materials.
- Assisted with the logistical facilitation of the Research Experience for STEM Teachers, an NSF-funded grant program.
- Helped maintain organized records, shared materials, and program information to support student success and school operations.
- Supported the school's relocation to a new academic building, including assembling furniture and helping prepare workspaces for faculty, staff, and students.

Freelance Writer

January 2023 – Present

Virtual

- Crafted 15+ compelling personal statements for university applicants, tailoring narratives to highlight each student's unique strengths and align with institutional values
- Provided comprehensive essay editing services, refining structure, clarity, and grammatical precision while preserving authentic student voice
- Mentored applicants through the entire writing process, from brainstorming to final revisions, significantly strengthening their competitive edge

Executive Assistant

August 2021 – May 2022

Rasko's Haulage and Backhoe Service, Manchester, Jamaica

- Designed and maintained a conflict-free executive scheduling system for the CEO using Microsoft Outlook Calendar as well as Google Calendar.
- Developed accurate time estimates for 15+ work site jobs by analyzing past projects.
